Henry Ford Hosp. Med. Journal
Vol. 22, No. 4, 1974

Author Index, 1974, Volume 22

AFFIFI, RA
Cystic duct cholangiography. *With* L Chaikof, TL Friedlich, and H Weizel 129

AFSARI, A
Removal of an intra-abdominal french catheter through the laparoscope. 27

ANBE, DT
Left atrial myxoma with an atrial septal defect. Report of a case. *With* E Arciniegas, H Green and EH Drake 195

ANDERSON, MD
Greenhouse fungicide — environmental carcinogen? *With* HS Rosenkranz 35

ARCINIEGAS, E
Left atrial myxoma with an atrial septal defect. Report of a case. *With* DT Anbe, H Green and EH Drake 195

AVERBUCH, F
Granular cell myoblastoma of the larynx. *With* K Muzaffar, I Salahuddin and RD Nichols 3

BADOSA, F
Sphincterotomy for biliary and pancreatic disease. Indications and technique. *With* JP LaCalle 123

BLOCK, MA
The management of small carcinomas of the rectum and distal sigmoid colon 177

Sclerosing cholangitis: Surgical significance. *With* C Grodsinsky and BE Brush 211

BOLSTAD, DS
Adenoidcystic carcinoma of the larynx. *With* K Muzaffar 91

BRUSH, BE
Sclerosing cholangitis: Surgical significance. *With* C Grodsinsky and MA Block 211

CAMACHO, E
Surgical implications of intestinal amebiasis 159

CASSIDY, WJ
Methadone and its rationale in the treatment of narcotic dependency. 219

CHAIKOF, L
Cystic duct cholangiography. *With* TL Friedlich, RA Affifi and H. Weizel 129

COLLIER, RL
Vagotomy with pyloroplasty or antrectomy. A comparison of results in the treatment of duodenal ulcer. *With* JH Wylie 149

CONNOLLY, TL
Position-dependent pleural friction rub 31

Purpura fulminans secondary to serratia marcescens septicemia. *With* JR Fischer 227

DASGUPTA, DS
Primary pulmonary hypertension — Disease or symptom? A retrospective reclassification of 33 cases. *With* EH Drake 63

DAVILA, JC
Experimental evaluation of the new Galen disposable bubble oxygenator. *With* U Jeong 97

DRAKE, EH
Left atrial myxoma with an atrial septal defect. Report of a case. *With* DT Anbe, E Arciniegas and H Green 195

Primary pulmonary hypertension — Disease or symptom? A retrospective reclassification of 33 cases. *With* DS DasGupta 63

DYRUD, JE
I. Discussion of Dr. Frank's paper 80

ELLIOTT, JP Jr
Traumatic fat embolism. Recent clinical experience in combined arterial injury and long bone fracture. *With* JF Lee and RF Smith 169

EVANS, DM
The relationship of the cold nodule to carcinoma of the thyroid 109

FISCHER, JR
Purpura fulminans secondary to serratia marcescens septicemia. *With* TL Connolly 227

FOLGER, GM
Correction of D-loop, D-transposition of the great arteries and sub-pulmonary stenosis with a dacron conduit and stented porcine xenograft valve. *With* L Gonzalez-Lavin 21

FRANK, JD
How psychotherapy heals 71

FRIEDLICH, TL
Cystic duct cholangiography. *With* L Chaikof, RA Affifi, and H Weizel 129

GONZALEZ-LAVIN, L
Correction of D-loop, D-transposition of the great arteries and sub-pulmonary stenosis with a dacron conduit and stented porcine xenograft valve. *With* GM Folger 21

GREEN, H
Left atrial myxoma with an atrial septal defect. Report of a case. *With* DT Anbe, E Arciniegas and EH Drake 195

GRODSINSKY, C
Sclerosing cholangitis: Surgical significance. *With* MA Block and BE Brush 211

Surgical treatment of chronic pancreatitis 137

Villous adenoma of the appendix. *With* RP Pai 217

HERNANDEZ, T
Clinical experience with radioisotopic powered cardiac pacemakers. *With* NPD Smyth and A Johnson 113

HWANG, I
Colon interposition in the management of total gastric and esophageal stricture following lye ingestion. *With* WH Janke 117

JANKE, WH
Colon interposition in the management of total gastric and esophageal stricture following lye ingestion. *With* I Hwang 117

JEONG, U
Experimental evaluation of the new Galen disposable bubble oxygenator. *With* JC Davila 97

JOHNSON, A
Clinical experience with radioisotopic powered cardiac pacemakers. *With* NPD Smyth and T Hernandez 113

LACALLE, JP
Sphincterotomy for biliary and pancreatic disease. Indications and technique. *With* F Badosa 123

LAM, CR
Laurence Sidney Fallis, M.D. 1894-1974 41

Malignant intrathoracic Hurthle-cell tumor. Report of a case with 12-year survival following three palliative operations 85

LEE, JF
Traumatic fat embolism. Recent clinical experience in combined arterial injury and long bone fracture. *With* RF Smith and JP Elliott Jr 169

MUZAFFAR, K

Granular cell myoblastoma of the larynx. *With* I Salahuddin, F Averbuch and RD Nichols 3

Adenoidcystic carcinoma of the larynx. *With* DS Bolstad 91

NESTOR, RC
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. *With* PM Ross and KK Wu 187

NICHOLS, RD
Granular cell myoblastoma of the larynx. *With* K Muzaffar, I Salahuddin, and F Averbuch 3

NUNEZ, JF
Phenotypic males with 46, XX karyotype. Report of two new cases. *With* GR Rubio, L Weiss and M Saeed uz Zafar 13

O'BRYAN, RM
Professional standards review organization: Past, present and future 9

OMEL, JL
Diffuse lymphoma of small intestine and colon. Case report with discussion. *With* SA Swenson 153

PAI, RP
Villous adenoma of the appendix. *With* C Grodsinsky 217

ROSENKRANZ, HS
Greenhouse fungicide — environmental carcinogen? *With* MD Anderson 35

ROSS, PM
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. *With* RC Nestor and KK Wu 187

RUBIO, GR
Phenotypic males with 46, XX karyotype. Report of two new cases. *With* L Weiss, JF Nunez and M Saeed uz Zafar 13

SALAHUDDIN, I
Granular cell myoblastoma of the larynx. *With* K Muzaffar, F Averbuch and RD Nichols 3

SASLOW, G
II. Discussion of Dr. Frank's paper. 82

SMITH, RF
Traumatic fat embolism. Recent clinical experience in combined arterial injury and long bone fracture. *With* JF Lee and JP Elliott Jr 169

SMYTH, NPD
Clinical experience with radioisotopic powered cardiac pacemakers. *With* T Hernandez and A Johnson 113

SWENSON, SA Jr
Diffuse lymphoma of small intestine and colon. Case report with discussion. *With* JL Omel 153

VAN SLYCK, EJ
Medical conference: Gaucher's disease. *With* L Weiss and R Waldmann 51

VON BRAUCHITSCH, H
Fifty years of general hospital psychiatry 69

Treatment of the hyperventilation syndrome 203

WALDMANN, R
Medical conference: Gaucher's disease. *With* EJ Van Slyck and L Weiss 51

WEISS, L
Phenotypic males with 46, XX karyotype. Report of two new cases. *With* GR Rubio, JF Nunez and M Saeed uz Zafar 13

Medical conference: Gaucher's disease. *With* EJ Van Slyck and R Waldmann 51

WEIZEL, H
Cystic duct cholangiography. *With* L Chaikof, TL Friedlich and RA Affifi 129

WU, KK
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. *With* PM Ross and RC Nestor 187

WYLIE, JH
Vagotomy with pyloroplasty or antrectomy. A comparison of results in the treatment of duodenal ulcer. *With* RL Collier 149

SAEED UZ ZAFAR, M
Phenotypic males with 46, XX karyotype. Report of two new cases. *With* GR Rubio, L Weiss and JF Nunez 13

Subject Index, 1974, Volume 22

ADDICTS, DRUG
Methadone and its rationale in the treatment of narcotic dependency. WJ Cassidy 219

AMEBIASIS
Surgical implications of intestinal amebiasis. E Camacho 159

ANEMIA
Medical conference: Gaucher's disease. EJ Van Slyck, L Weiss and R. Waldmann 51

ANNIVERSARY, 50TH
Fifty years of general hospital psychiatry. H VonBrauchitsch 69

ANTRECTOMY
Vagotomy with pyloroplasty or antrectomy. RL Collier and JH Wylie 149

APPENDIX, VILLOUS ADENOMA
Villous adenoma of the appendix. RP Pai and C Grodsinsky 217

ATRIAL SEPTAL DEFECT
Left atrial myxoma with an atrial septal defect. Report of a case. DT Anbe, E Arciniegas, H Green and EH Drake 195

BEHAVIOR ANALYSIS
I. Discussion of Dr. Frank's paper. JE Dyrud 80

BILIARY BYPASS
Sclerosing cholangitis: Surgical significance. C Grodsinsky, MA Block and BE Brush 211

BILIARY TRACT
Sphincterotomy for biliary and pancreatic disease. J Puig LaCalle and F Badosa 123

CANCER
Greenhouse fungicide — environmental carcinogen? MD Anderson 35

CARCINOGEN
Greenhouse fungicide — environmental carcinogen? MD Anderson 35

CARCINOMA
The management of small carcinomas of the rectum and distal sigmoid colon. MA Block 177

CARDIO-PULMONARY BYPASS
Experimental evaluation of the new Galen disposable bubble oxygenator. U Jeong and JC Davila 97

CATHETERIZATION, CARDIAC
Primary pulmonary hypertension — Disease or symptom? DS Das Gupta and EH Drake 63

CHOLANGITIS
Sclerosing cholangitis: Surgical significance. C Grodsinsky, MA Block and BE Brush 211

CHOLANGIOGRAPHY
Cystic duct cholangiography. L Chaikof, TL Friedlich, RA Affifi and H Weizel 129

COLD NODULE
The relationship of the cold nodule to carcinoma of the thyroid. DM Evans 109

COLON
The management of small carcinomas of the rectum and distal sigmoid colon. MA Block 177

Diffuse lymphoma of small intestine and colon. SA Swenson Jr and JL Omel 153

COLON INTERPOSITION
Colon interposition in the management of total gastric and esophageal stricture following lye ingestion. WH Janke and I Hwang 117

CONGENITAL HEART DISEASE
Correction of D-loop, D-transposition of the great arteries and sub-pulmonary stenosis with a dacron conduit and stented porcine xenograft valve. L Gonzalez-Lavin and GM Folger 21

DEMORALIZATION
How psychotherapy heals. JD Frank 71

DRUG DEPENDENCY
Methadone and its rationale in the treatment of narcotic dependency. WJ Cassidy 219

DUODENAL ULCER
Vagotomy with pyloroplasty or antrectomy. RL Collier and JH Wylie Jr 149

EMOTIONAL AROUSAL
How psychotherapy heals. JD Frank 71

ENVIRONMENT
Greenhouse fungicide — environmental carcinogen? MD Anderson 35

ESOPHAGEAL REPLACEMENT
Colon interposition in the management of total gastric and esophageal stricture following lye ingestion. WH Janke and I Hwang 117

EXTRA-CORPOREAL CIRCULATION
Experimental evaluation of the new Galen disposable bubble oxygenator. U Jeong and JC Davila 97

FAT EMBOLISM
Traumatic fat embolism. Recent clinical experience in combined arterial injury and long bone fracture. JF Lee, RF Smith and JP Elliott Jr 169

FOREIGN BODY
Removal of an intra-abdominal trench catheter through the laparoscope. A Afsari 27

FUNGICIDE
Greenhouse fungicide — environmental carcinogen? MD Anderson 35

GALL BLADDER
Cystic duct cholangiography. L Chaikof, TL Friedlich, RA Affifi and H Weizel 129

GASTRIC RESECTION
Vagotomy with pyloroplasty or antrectomy. RL Collier and JH Wylie Jr 149

G.I. TRACT
Diffuse lymphoma of small intestine and colon. SA Swenson Jr and JL Omel 153

GAUCHER'S DISEASE
Medical conference: Gaucher's disease. EJ Van Slyck, L Weiss and R Waldmann 51

HELDT, THOMAS, MD
Fifty years of general hospital psychiatry. H VonBrauchitsch 69

HEROIN ADDICTION
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. PM Ross, RC Nestor and KK Wu 187

HISTORY, HENRY FORD HOSPITAL
Fifty years of general hospital psychiatry. H VonBrauchitsch 69

HOPE
How psychotherapy heals. JD Frank 71

HURTHLE-CELL TUMOR
Malignant intrathoracic Hurthle-cell tumor. Report of a case with 12-year survival following three palliative operations. CR Lam 85

HYPERTENSION
Primary pulmonary hypertension - Disease or symptom? DS Das Gupta and EH Drake 63

HYPERVENTILATION
Treatment of the hyperventilation syndrome. H VonBrauchitsch 203

HYPOGONADISM
Phenotypic males with 46, XX karyotype. Report of two new cases. GR Rubio, L Weiss, JF Nunez and M Saeed uz Zafar 13

INTESTINE
Diffuse lymphoma of small intestine and colon. SA Swenson Jr and JL Omel 153

INTRAPERITONEAL
Removal of an intra-abdominal french catheter through the laparoscope. A Afsari 27

INTRATHORACIC (MEDIASTINAL) TUMOR
Malignant intrathoracic Hürthle-cell tumor. Report of a case with 12-year survival following three palliative operations. CR Lam 85

ISOLATION, PSYCHIATRIC
Fifty years of general hospital psychiatry. H VonBrauchitsch 69

JAUNDICE
Sclerosing cholangitis: Surgical significance. C Grosinsky, MA Block and BE Brush 211

KLINEFELTER'S SYNDROME
Phenotypic males with 46, XX karyotype. Report of two new cases. GR Rubio, L Weiss, JF Nunez and M Saeed uz Zafar 13

LAPARASCOPY
Removal of an intra-abdominal french catheter through the laparoscope. A Afsari 27

LARYNX
Adenoidcystic carcinoma of the larynx. K Muzaffar and DS Bolstad 91

Annual Index 1974

LARYNX
Granular cell myoblastoma of the larynx. K Muzaffar, I Salahuddin, F Averbuch and RD Nichols 3

LIFE TIME CARDIAC PACER
Clinical experience with radioisotopic powered cardiac pacemakers. NPD Smyth, T Hernandez and A Johnson 113

LONG BONE FRACTURE
Traumatic fat embolism. recent clinical experience in combined arterial injury and long bone fracture. JF Lee, RF Smith and JP Elliott Jr 169

LYMPHOMA
Diffuse lymphoma of small intestine and colon. SA Swenson Jr and JL Omel 153

MASTERY
How psychotherapy heals. JD Frank 71

METHADONE
Methadone and its rationale in the treatment of narcotic dependency. WJ Cassidy 219

MYOBLASTOMA
Granular cell myoblastoma of the larynx. K Muzaffar, I Salahuddin, F Averbuch and RD Nichols 3

MYXOMA
Left atrial myxoma with an atrial septal defect. Report of a case. DT Anbe, E Arciniegas, H Green and EH Drake 195

NARCOTIC ADDICTION
Methadone and its rationale in the treatment of narcotic dependency. WJ Cassidy 219

ODDI, SPHINCTER OF
Sphincterotomy for biliary and pancreatic disease. J Puig LaCalle and F Badosa 123

OSTEOMYELITIS
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. PM Ross, RC Nestor and KK Wu 187

OXYGENATOR
Experimental evaluation of the new Galen disposable bubble oxygenator. U Jeong and JC Davila 97

PANCREATITIS
Surgical treatment of chronic pancreatitis. C Grodsinsky 137

Sphincterotomy for biliary and pancreatic disease. J Puig LaCalle and F Badosa 123

"PAPER BAG" THERAPY
Treatment of hyperventilation syndrome. H VonBrauchitsch 203

PATIENT QUALITIES
How psychotherapy heals. JD Frank 71

PERIPHERAL ARTERY INJURY
Traumatic fat embolism. Recent clinical experience in combined arterial injury and long bone fracture. JF Lee, RF Smith and JP Elliott Jr 169

PLEURAL FRICTION RUB
Position-dependent pleural friction rub. TL Connolly 31

PLEURISY
Position-dependent pleural friction rub. TL Connolly 31

PORCINE XENOGRAFT VALVE
Correction of D-loop, D-transposition of the great arteries and sub-pulmonary stenosis with a dacron conduit and stented porcine xenograft valve. L Gonzalez-Lavin and GM Folger 21

PPH
Primary pulmonary hypertension — Disease or symptom? DS Das Gupta and EH Drake 63

PROLONGED PACER LIFE
Clinical experience with radioisotopic powered cardiac pacemakers. NPD Smyth, T Hernandez and A Johnson 113

PSEUDOMONAS ARTHRITIS
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. PM Ross, RC Nestor and KK Wu 187

PSRO
Professional standards review organization: Past, present and future. RM O'Bryan 9

PSYCHIATRIC UNIT
Fifty years of general hospital psychiatry. H VonBrauchitsch 69

PSYCHOSOMATIC DISEASE
Treatment of the hyperventilation syndrome. H Von Brauchitsch 203

PSYCHOTHERAPY
I. Discussion of Dr. Frank's paper. JE Dyrud 80

PSYCHOTHERAPY, GENERAL
II. Discussion of Dr. Frank's paper. G Saslow 82

PSYCHOTHERAPY, SPECIFIC
II. Discussion of Dr. Frank's paper. G Saslow 82

PULMONARY HYPERTENSION
Primary pulmonary hypertension — Disease or symptom? DS Das Gupta and EH Drake 63

PULMONARY INSUFFICIENCY
Traumatic fat embolsim. Recent clinical experience in combined arterial injury and long bone fracture. JF Lee, RF Smith and JP Elliott Jr 169

PURPURA FULMINANS
Purpura fulminans secondary to serratia marcescens septicemia. TL Connolly and JR Fischer 227

PYLOROPLASTY
Vagotomy with pyloroplasty or antrectomy. RL Collier and JH Wylie Jr 149

RADIOISOTOPIC
Clinical experience with radioisotopic powered cardiac pacemakers. NPD Smyth, T Hernandez and A Johnson 113

RECTUM
The management of small carcinomas of the rectum and distal sigmoid colon. MA Block 177

RESPIRATORY DISTRESS
Treatment of hyperventilation syndrome. H Von-Brauchitsch 203

REVIEW, PROFESSIONAL
Professional standards review organization: Past, present and future. RM O'Bryan 9

ROLE INDUCTION INTERVIEW
How psychotherapy heals. JD Frank 71

SCLERODERMA
Primary pulmonary hypertension — Disease or symptom? DS Das Gupta and EH Drake 63

SCLEROSING CHOLANGITIS
Sclerosing cholangitis: Surgical significance. C Grodsinsky, MA Block and BE Brush 211

SEX CHROMOSOMES
Phenotypic males with 46, XX karyotype. Report of two new cases. GR Rubio, L Weiss, JF Nunez and M Saeed uz Zafar 13

SEX DETERMINATION
Phenotypic males with 46, XX karyotype. Report of two new cases. GR Rubio, L Weiss, JF Nunez and M Saeed uz Zafar 13

SEPTICEMIA
Purpura fulminans secondary to serratia marcescens septicemia. TL Connolly and JR Fischer 227

SERRATIA MARCESCENS
Purpura fulminans secondary to serratia marcescens septicemia. TL Connolly and JR Fischer 227

SKIN LESIONS
Purpura fulminans secondary to serratia marcescens septicemia. TL Connolly and JR Fischer 227

SLE
Primary pulmonary hypertension — Disease or symptom? DS Das Gupta and EH Drake 63

SPHINCTEROTOMY
Sphincterotomy for biliary and pancreatic disease. J Puig LaCalle and F Badosa 123

SPHINGOLIPIDOSES
Medical conference: Gaucher's disease. EJ Van Slyck, L Weiss and R Waldmann 51

SPLENOMEGALY
Medical conference: Gaucher's disease. EJ Van Slyck, L Weiss and R Waldmann 51

STANDARDS, REVIEW
Professional standards review organization: Past, present and future. RM O'Bryan 9

STERNOCLAVICULAR ARTHRITIS
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. PM Ross, RC Nestor and KK Wu 187

STERNOCLAVICULAR OSTEOMYELITIS
Pseudomonas arthritis and osteomyelitis in heroin addiction. A report of three cases. PM Ross, RC Nestor and KK Wu 187

SUCCESS EXPERIENCES
How psychotherapy heals. JD Frank 71

SURGICAL RESECTION
Left atrial myxoma with an atrial septal defect. Report of a case. DT Anbe, E Arciniegas, H Green and EH Drake 195

THERAPEUTIC EFFECTIVENESS
How psychotherapy heals. JD Frank 71

THERAPIST QUALITIES
How psychotherapy heals. JD Frank 71

THERMOELECTRIC POWER
Clinical experience with radioisotopic powered cardiac pacemakers. NPD Smyth, T Hernandez and A Johnson 113

THYROID CARCINOMA
The relationship of the cold nodule to carcinoma of the thyroid. DM Evans 109

Malignant intrathoracic Hurthle-cell tumor. Report of a case with 12-year survival following three palliative operations. CR Lam 85

TRANSPOSITION, ARTERIES
Correction of D-loop, D-transposition of the great arteries and sub-pulmonary stenosis with a dacron conduit and stented porcine xenograft valve. L Gonzalez- Lavin and GM Folger 21

TUMOR
Granular cell myoblastoma of the larynx. K Muzaffar, I Salahuddin, F Averbuch and RD Nichols 3

Adenoidcystic carcinoma of the larynx. K Muzaffar and DS Bolstad 91

VAGOTOMY
Vagotomy with pyloroplasty or antrectomy. RL Collier and JH Wylie Jr 149

VILLOUS ADENOMA
Villous adenoma of the appendix. RP Pai and C Grodsinsky 217

WITHDRAWAL, DRUGS
Methadone and its rationale in the treatment of narcotic dependency. WJ Cassidy 219
